**Dear Traveler,**

Tsolmon Travel LLC was established by D.Batdelger in 1993 as one of the first independent tour operators after Mongolia's democratic revolution.

We offer you a highly personalized service with extensive and specialized tours throughout Mongolia.

We invite every traveler to see natural virginity by naked eyes, to enjoy fresh and clean air, to feel absolutely silence and wide steppes, to live through a nomadic life and their culture and to make adventurous trips and journey arriving in Mongolia.

Welcome to Mongolia and explore a "lost" country of "blue sky's" with us.
